

DISCLAIMER

This white paper is for informational purposes only. The information set forth herein is subject to completion or amendment, may not be exhaustive, and does not imply any elements of a contractual relationship. While we make every effort to ensure that any material in this white paper is accurate and up to date, such material in no way constitutes the provision of professional advice. Paygine, LLC does not guarantee, and accepts no legal liability whatsoever arising from or connected to the accuracy, reliability, timeliness, or completeness of any material contained in this white paper. Any potential PGC token holders or investors should seek appropriate independent professional advice prior to relying on, or entering into any commitment or transaction based on materials published in this white paper. Such materials are published purely for reference purposes. PGC tokens are not intended to constitute securities in any jurisdiction. This white paper does not constitute a prospectus and is not an offering document of any sort, and is not intended to be construed as an offer of securities or a solicitation for investment in securities in any jurisdiction. Paygine, LLC is not providing any opinion or advice on whether to purchase, sell, or otherwise transact with PGC tokens, and this white paper shall not form the basis of, or be relied upon, in connection with any contract or investment decision whatsoever. The tokens described in this draft white paper will not be available for use until the successful completion of the Paygine Platform.

No regulatory authority has examined or approved of any of the information set out in this white paper. Thus, no action has been or will be taken under the laws, regulatory requirements or rules of any jurisdiction. The publication, distribution or dissemination of this white paper does not imply compliance with any applicable laws, regulatory requirements or rules.

Certain information contained in this document constitutes "forward-looking statements," which can be identified by the use of forward-looking terminology such as "may," "will," "should," "expect," "anticipate," "project," "estimate," "intend" or "believe", or other variations thereon, or other comparable terminology. Due to various risks and uncertainties, including those risk disclosures described herein and made available at <https://paygine.com> prior to the beginning of the token sale, actual events or results or the actual performance of the tokens may differ materially from that which is reflected or contemplated in such forward-looking statements.
